### Wiki site developer terms and conditions:

1. The person named above on this wiki registration form (the Signatory) will be solely responsible for all the content of their wiki website including information, photos, profiles, graphics, video and audio clips, links and any other material displayed on the wiki site.
2. The Signatory must ensure that only photographs or videos clips for which he/she has obtained the prior written consent of the person (s) featured are used on the site.
3. The Signatory confirms that all photographs used on his/her wiki site will become part of a Click Start community image library that other wiki builders in the community can share providing they have agreed to the terms of this registration form.
4. The Signatory has permission to use images and video clips from the Click Start community image library.
5. The Signatory confirms that they will not post or reproduce any copyright proprietary information belonging to others without obtaining their prior written consent.
6. The Signatory will ensure that anyone performing an editorial or administration role in respect of the wiki website has been checked with CRB under Enhanced Disclosure.
